Villa description:

Villa Blue Pearl is located in Bidadari Street, the new trendy area in Seminyak, Bali. The famous Oberoi street with its lining stores and numerous restaurants as well as the Seminyak center is only a few minutes away. After having your vehicle parked on the private space in front of the villa, you will enter into the tropical villa through the antique Balinese door.

The turquoise color of swimming pool pops up among the greenery from the tropical garden. You will find a beautiful bungalow on the right of the pool, sheltering one romantic bedroom with its en suite bathroom. Enjoy your meal on the terrace, furnished with its table and beach umbrella by the swimming pool. On the other side of the pool, three sunbeds made from rattan are at your disposal for your relaxing time during your stay at this villa.

The main part of the house, furnished and decorated with taste, offers a user-friendly common area. It shelters the living area, dining corner and the kitchen. The large bay windows allow the main room to be opened and closed as you wish. On either side, you will find two charming bedrooms accessible through sliding doors that give a view to the garden and the swimming pool. Each bedroom is air conditioned and equipped with the en suite bathrooms.

This holiday home suits best for your stay in Bali, with family or friends with a reasonable budget.

Bali is a tropical island with all of its amazing biodiversity. You may find plenty of various animals in Bali, ranging from the endangered exotic creature until common house animals you've seen every day like Lizard and Gecko or small insects like ants and mosquitoes.

We do our best to control mosquito population in our villa by doing fumigation twice a month and clean the villa thoroughly every day but we cannot eradicate all.

However, we always provide mosquito spray and electric repellent in the villa.
