Villa description:

The amazing villa Gladak with its mixture of styles will seduce you with its space, comfort and location.

The house has 4 bedrooms with ensuite bathrooms, a large living area including the living room, the TV and dining

areas, a fully equipped kitchen as well as a long private pool.

The property is made from different architectures styles like the "Joglo" (main room) and the "Gladak" (which houses a bedroom). These two centenarians' buildings in teak wood come from the island of Java. The master bedroom is itself covered by the roof in "alang alang" which is the Balinese thatch. Everything is subtly mixed with modern style.

Your holiday home is located at only 2 minutes walk from the heart of the Oberoi area, a must in Bali, where you will find the best restaurants and shops of the island.
