Villa description:

Villa Lina is located outside from the city in the middle of rice fields in a traditional Balinese village. The perfect place to enjoy the tranquility and to soak in the local life.

Less than 2 km away you will find the famous beach of Echo Beach where you can surf, enjoy a drink at sunset or dinner by the sea. The all area has a warm atmosphere thanks to many restaurants and cafes including the prestigious Deus Machina.

If you feel like to go to the frenzy of the seaside resort of Seminyak, it is less than 15 minutes driving. At the same distance, but to the north, do not miss the temple of Tanah Lot.

Your holiday home has 3 wooden bungalows called Gladak and Limasan in Indonesia. Each one has an air conditioned room, an en suite bathroom and a terrace with a beautiful view to the tropical garden and the large swimming pool. A gazebo overlooking the pool offers a 360 ° panorama of your property and the rice fields.

There's a spacious living room where you will spend convivial moments with family and friends.

This paradise home is waiting for you to enjoy an unforgettable holiday on this famous island of Bali.

Bali is a tropical island with all of its amazing biodiversity. You may find plenty of various animals in Bali, ranging from the endangered exotic creature until common house animals you've seen every day like Lizard and Gecko or small insects like ants and mosquitoes.

We do our best to control mosquito population in our villa by doing fumigation twice a month and clean the villa thoroughly every day but we cannot eradicate all.

However, we always provide mosquito spray and electric repellent in the villa.
