Villa description:

Are you looking for a cozy nest for your romantic holidays? Centrally located in Seminyak, the seaside resort of Bali and the beach is only 500 meters away, Villa Lollie is for you!

With a mix of modern and traditional architecture, this vacation rental will offer you full privacy in a perfect cozy house.

After entering a beautiful authentic Balinese door, you will arrive in your little cocoon. The swimming pool edged by sun beds is waiting for you to appreciate your peaceful haven. The kitchen, the dining room and the living room are along the pool. Enjoy a brilliant and subtle decoration in this contemporary place. In front of the living room, a bay window allows you to access the comfy air-conditioned bedroom. It offers a large canopy bed with TV and a private bathroom with its little tropical garden.

Don't wait anymore, pack your luggage and fly away to Bali, the island of Gods!

Bali is a tropical island with all of its amazing biodiversity. You may find plenty of various animals in Bali, ranging from the endangered exotic creature until common house animals you've seen every day like Lizard and Gecko or small insects like ants and mosquitoes.

We do our best to control mosquito population in our villa by doing fumigation twice a month and clean the villa thoroughly every day but we cannot eradicate all.

However, we always provide mosquito spray and electric repellent in the villa.
