Villa description:

Villa Calypso is located in the heart of Batubelig area, where there are plenty of famous restaurants especially the Wild Hog for its ribs and the Watercress for the coffee and healthy dishes. This vacation rental offers you also the proximity from the Seminyak shopping streets, the seaside resort of Bali, and from The Batubelig beach, well-known for its beach front bars and its fabulous sunsets. In other words, this villa is perfectly located!

As you enter to this little peaceful haven, you will discover a pretty tropical garden with a large wooden deck framing the pool that will offer you relaxing moments every day. An outdoor setting featured for our guests who wish to enjoy their breakfast after morning swim or who crave for dinner under the moonlight while enjoying the soothing Balinese atmosphere.

The spacious living room designed and constructed in an open-air style covering kitchen and the sitting room, offers you a comforting view of the lush garden. Feel the vibe through the colorful and sophisticated decoration and let yourself be pampered by this peaceful holiday place.

Both bedrooms are giving the view of the wooden deck and the pool. Each has a private semi outdoor bathroom immersing you in an exotic Balinese environment.

Bali is a tropical island with all of its amazing biodiversity. You may find plenty of various animals in Bali, ranging from the endangered exotic creature until common house animals you've seen every day like Lizard and Gecko or small insects like ants and mosquitoes.

We do our best to control mosquito population in our villa by doing fumigation twice a month and clean the villa thoroughly every day but we cannot eradicate all.

However, we always provide mosquito spray and electric repellent in the villa.
