Villa Description:

Very well located, the exceptional Villa Mana is close to all amenities, 10 minutes walk to Oberoi street, the fashionista paradise, and at a paddle jump to the trendy Petitenget street with its hype restaurants (Metis, Sarong, Sardine) and

beach clubs (Potato Head, Kudeta, W...)

The nitty gritty: once inside, you will dive into the Balinese atmosphere with its tropical garden and stunning swimming pool. This contemporary architecture house features a huge living room and a dining room facing the swimming pool for unique chilling-out. The open kitchen (fully furnished) and the polished concrete work top bring a modern touch. Three bedrooms, all with AC, are facing the garden and the pool. Each of them has a dressing room and en-suite bathrooms for intimacy.

We bet you will spend unforgettable holidays in this authentic and sophisticated villa!

Bali is a tropical island with all of its amazing biodiversity. You may find plenty of various animals in Bali, ranging from the endangered exotic creature until common house animals you've seen every day like Lizard and Gecko or small insects like ants and mosquitoes.

We do our best to control mosquito population in our villa by doing fumigation twice a month and clean the villa thoroughly every day but we cannot eradicate all.

However, we always provide mosquito spray and electric repellent in the villa.
