Villa description:

Located in Jalan Drupadi, a very fashionable area in Bali between the center of Seminyak, Oberoi street and the beach, the villa will seduce you with its style and elegance.

Once past the door a long green stone swimming pool invites you to refresh. On your right, a beautiful authentic Joglo (Javanese house made from antique teak) fully renovated and comfortably furnished sheltered the living room and the American kitchen which are fully opened to the tropical garden. In extension two large bedrooms with en suite bathrooms.

The other two bedrooms are located opposite the pool. It is accessed through glass doors which allow a clear view of the villa.

Let yourself be carried away by the magic of the place where the Balinese staff always pleasant and intentioned will make your stay unforgettable.

Bali is a tropical island with all of its amazing biodiversity. You may find plenty of various animals in Bali, ranging from the endangered exotic creature until common house animals you've seen every day like Lizard and Gecko or small insects like ants and mosquitoes.

We do our best to control mosquito population in our villa by doing fumigation twice a month and clean the villa thoroughly every day but we cannot eradicate all.

However, we always provide mosquito spray and electric repellent in the villa.
